- I have access to a computer or a smart phone and will be alert and ready to login, and participate in all of my courses.

- If I am receiving services from HRA or one of its vendors, I have discussed my career goals with my caseworker and work assignments will be scheduled around my BEOC classes.

- I will maintain open communication with my instructors and advisors throughout my program of study and log into Schoology consistently.
- I will provide job and college placement information as required.
- I agree that I will keep the appropriate administrative personnel up to date on any challenges that may be prohibiting me from being successful.
