WELCOME TO SPRING  
2022!

## A MESSAGE FROM BEOC EXECUTIVE DIRECTOR

Welcome students, faculty, and staff to the Spring 2022 semester at BEOC. A special welcome is extended to Medical Assisting students who will be attending full-time in-person classes. See guidelines for students on page 2 of this newsletter for what to expect when you come on campus.

We look forward to expanding in-person programs and services as the semester continues. Therefore, it is important that we take precautions to safeguard the health of everyone. Your cooperation in following the appropriate procedures will help the entire BEOC community. As we work and learn together, let us be respectful of each other's space and always wear masks indoors when around other people. It is New York State policy.

Let us continue to get fully vaccinated and boosted! Additionally, if you experience flu-like symptoms, come into close contact with someone who has Covid-19, or test positive yourself, stay home. Employees should inform their supervisors and students should inform their advisors and follow the appropriate testing protocols, quarantine, or isolation requirements.

I wish everyone a healthy, safe, and successful semester. I look forward to seeing you on campus!

Jacinth Hanson, Ed.D.  
BEOC Executive Director

# CAMPUS PROCEDURES ~ IN-PERSON CLASSES

## CAMPUS PROCEDURES FOR IN-PERSON CLASSES GUIDANCE FOR STUDENTS - SPRING 2022

All students must be fully vaccinated in order to access BEOC campus. A campus access pass with the current date must be shown to BEOC security personnel in order to enter the premises.

**NOTE:** A person is fully vaccinated 14 days after the final dose of a vaccine. All are encouraged to take booster shots as soon as they are eligible to do so.

**Reminder:** Use the link you received from Cleared4Work to check your pass each day before you come to the building to ensure that your access pass is current.

- **Must I attend my onsite classes?**

Students enrolled in scheduled onsite classes must attend in person unless

- You cannot enter the BEOC campus because you do not have an access pass
- You are exhibiting flu like symptoms
- You have to isolate or quarantine because of Covid exposure or positive test result
- Your classes have been temporarily re-scheduled to remote

- **What clearance do I need to come on campus?**

- You must show a current CUNY access pass each day. You will receive the pass after you have registered and uploaded your vaccination proof to Cleared4. All students must be vaccinated unless you have been granted a medical exemption or religious exception. See the Student Vaccination Mandate FAQs for information on how to submit vaccination proof or request an exemption.

- **How do I enter BEOC?**

- Enter the building at 111 Livingston Street; check-in on 2nd floor
- Show your updated CUNY access pass to the security for entry
- Sign in and complete the non-contact temperature check

- **What are the onsite requirements at BEOC?**

- Everyone must wear a mask while indoors on campus, regardless of vaccination status, or social distance
- Masks must fully cover the nose and mouth
- The NYC Department of Health recommends that people wear snug-fitting masks with two or three layers of material to better prevent unfiltered air from passing through; two masks, with a cloth face covering over a disposable one; or higher-grade masks, like KN95s, for people at greater risk
- Masks may only be removed for limited times to eat or drink while maintaining physical distancing
- All students are expected to follow the instructions of faculty, staff or administrators
- BEOC rules and regulations are found in the Schoology Advisement Center group Resources: Info You Need/Student Policies

- **What do I do if am feeling sick or tested positive for Covid ?**

- If you have symptoms of COVID-19, you should test and isolate at home while waiting for your results
- If you have tested positive for COVID-19 or had close contact with a person with COVID19 (within 6 feet for at least 15 minutes over a 24-hour period), you must report this to BEOC
- To report a COVID-19 positive test or close contact, notify an advisor at [advisors@beoc.cuny.edu](mailto:advisors@beoc.cuny.edu)

- **What resources are available while I am on campus?**

Learning Resource Center/Library for studying, tutoring and computer access

- Library: Open from 10:00 to 1:30 by appointment only
- Computer Lab: Open from 1:30 to 4:00 by appointment only

Click: [On-Site LRC Scheduling](#) to schedule your appointment

# MOMENTS FROM SUNY EMPIRE STATE COLLEGE/BEOC SIGNING EVENT

December 15, 2021 - SUNY Empire State College and BEOC celebrated a partnership agreement offering college degree options to the program's students, graduates, employees, and their family members. Brooklyn EOC's tuition-free programs provide professional and educational training programs that lay the foundation for lifelong learning, college access, and economic self-sufficiency.

The partnership agreement with SUNY Empire gives Brooklyn EOC participants access to the college's Corporate and Community Partnership Benefits Program. As part of the agreement, SUNY Empire will waive the orientation fee for incoming students and provide a \$100 Better Together scholarship for Brooklyn EOC members who enroll in a degree-seeking program at SUNY Empire State College.

All programs can be completed entirely online to fit the busy lives of working students. Participants will also benefit from SUNY Empire's prior learning assessment, which awards college credit for relevant work and life experience, reducing the overall cost and time needed to complete a degree.

**BEOC is proud to partner with SUNY Empire State College in this amazing initiative.**
